

## **Warranty Terms and Conditions**

The warranty covers the surface coated with specified Nano-Clear products of up to 5 years beginning on the day work on the surface is completed.

Peeling or De-lamination of the clear coat, loss of gloss caused by cracking, checking and hazing & any failure caused by defective Nano-Clear® products which is covered by the Warranty, as specified on the Warranty products and System List.

These are the warranties that Nano-Clear NZ makes. All other expressed or implied warranties, including – warranties without limitation, warranties of fitness for a particular purpose or use are disclaimed by Nano-Clear NZ.

Nano Clear warranty of 5 years applies only to sprayed application of Nano-Clear on surfaces where the thickness of Nano-Clear is >1 millimetre.  
Approved Applicators can reduce the term of the warranty if they deem necessary, such as the sub straight or surface in a poor condition or surfaces in a highly corrosive or toxic environment.

The warranty only applies to the Approved Applicator who applies Nano-Clear to the sub straight or surface.

### **Warranty Exclusions:**

Clear Coat deterioration caused by bubbles, blisters or other film degradation due to rust or corrosion originating from the substrate hazing, chalking or loss of gloss caused by improper care, abrasive polishes, cleaning agents, heavy duty washing, or aggressive mechanical wash systems. Deterioration caused by abuse, accidents, scratches, chips or stone bruises due to normal use or any other than standard clear coat procedure. Failures resulting from product misuse or abuse. Repairs performed over previously coated areas unless stripped to bare surface. Claims presented without warranty documents. Failure on finishes containing non Nano-Clear NZ or non Nano-Clear approved products. Failure on finishes performed by non Nano-Clear Certified "Approved Applicators". Failure of Nano-Clear performed by Nano-Clear Approved Applicators who have allowed their license to expire.

### **Maintenance:**

Keep clean and regularly wash with fresh clean water after use, for best results wash with soap water and a sponge or soft bristle brush followed by fresh clean water to rinse.
